msf
ltw 8:00 AM Surveillance instituted.

msf
ltw 4:00 PM Surveillance discontinued. During the above surveillance period, no one was noted to enter [REDACTED] leave or come near the property at [REDACTED] nor were there any automobiles noted to stop in the immediate vicinity of this address.

The residence at [REDACTED] appears to be more than 50 years old and is in extremely poor condition. The two windows in the front of the house at the third level have been removed completely as well as a large area of a bay window on the first floor. Other windows in the house have been boarded up, giving the impression that no one could inhabit this residence, particularly during the cold weather. No activity noted.
